Traditionally, Antioch Will Observe Tomorrow As Day of Gratitude

Thanksgiving Services in Local Churches and Family Dinners

Antioch may be a quiet village tomorrow, but it should be a happy one and there will be evidences of happiness and thanksgiving as people gather in homes and in churches for the celebration of an event that is purely American—Thanksgiving Day.

The Methodist church will be the place for a union service of that denomination with that of the Congregational church of Millburn at 9:30 a. m. Thursday.

At the same time a service will be conducted by the Rev. Edmond Hood at St. Ignatius' Episcopal church to which the public is invited at 9:30 a. m.

A special Thanksgiving program was given at 2 p. m. today (Wednesday) at Antioch Township High School to which the public was invited.

The program sponsored by the Student Council was as follows:

Pledge of Allegiance by the student body, followed by the selection "Fandango" by the band and "Star Spangled Banner" by the band and student body.

The Rev. Howard Benson delivered the invocation which was followed by the band selection "Praise God From Whom All Blessings Flow."

Next in sequence were the duet "He" by Oma Lee Belke and Linda Holloker, and the band selection "Come Ye Thankful People Come." Atty. Ted Larson, introduced by Principal A. L. Dittman, delivered the address on the subject "Thoughts on Thanksgiving Day."

Selections by the a cappella choir were "Prayer of Thanksgiving," "America the Beautiful," and "One Hundredth."

The program closed with the benediction by the Rev. Alfred J. Henderson.

Family gatherings with turkey as the chief item on the menu will be popular. Students will be home from college for a four-day vacation and local schools will be closed until Monday.

Lester Bell, 67, Died Wednesday, Nov. 23

Lester "Les" Bell, long time resident of Antioch and vicinity died Wednesday, November 23, at 10 a. m. at County hospital, Waukegan, where he had been taken for treatment on October 4.

While at the hospital he underwent two operations, the second of which was performed Tuesday.

He had spent most of his life in the vicinity of Richmond and Spring Grove, before moving to Antioch about fifteen years ago. He was employed in various Antioch places, until an accident about six years ago forced his retirement.

No relatives survive other than nieces and nephews, of which Mrs. T. M. Palaske is one. He was one of a family of four boys, all of whom preceded him in death.

Friends may call at the Strang Funeral home after 2 p. m. Friday. Funeral services will be held at 1 p. m. Saturday, with burial at Ringwood, Ill.

Toft's New Service Station Opened Last Friday; Old One Kept

Trying to be in two places at the same time is quite a job nowadays for Ray Toft.

There are, for the time being, two Ray's Service stations, the one he has operated for several years at Main and Lake sts., and the new one just opened up last Friday at Lake and Broadway.

The new station which dispenses Shell products the same as the old one, occupies the site of the former Methodist parsonage. It is a modern building and adds to the attractiveness of the business district. More room and more pumps make it a more desirable place.

Toft's lease on the old building runs until next March. Whether he will continue to operate both stations he doesn't yet know, but right now they are keeping him mighty busy.

William Lahti, Shell fuel oil dealer, will have his headquarters in the new building, thereby associating the products of the Lahti Oil Co. with those handled by Toft.

At the Hospitals
Carol Schafer, Antioch, was listed as a medical patient and Alex Shostak and Edward Zalatoris, also of Antioch, were listed as surgical patients Monday at St. Therese hospital in Waukegan.

Postoffice Prepares For Mail Overflow

Postmaster Roy Kufalk announced yesterday that after Dec. 11, rural carriers will handle their mail at the Antioch Rescue Squad building. The change will be in effect until after Christmas and is done to give them and workers at the post office more room during the holiday rush. Even the new postoffice building doesn't give the employees enough space during the approach of Christmas.

Celebration of 15th Anniversary of Order of Rainbow is Public

Chicago Musical Artists to Give Program at Grade School Saturday

The public has been invited to the fifteenth anniversary celebration of the Antioch assembly of Order of the Rainbow for Girls which will be held Saturday evening as one of the most elaborate events in the history of the local organization.

Through the efforts of Fred B. Swanson, thirty-third degree Mason special musical entertainment has been arranged. Rudy Wagner, solo pianist of the Chicago Theatre, one of the outstanding artists of the Middle West, and a close friend of Liberace, will play.

He will accompany Miss Lida Da Valla, soprano from radio and stage, with a voice that will long be remembered and Ernst McLean, baritone from musical comedy and concert stage.

"There will be others, too, and the music they will present will be such as you like, the way you like it," said Swanson.

The celebration will be at the Antioch Grade School gymnasium starting at 8 p. m. The doors will be open at 7 p. m.

Mrs. Mary S. Abt, Belleville, Ill., supreme inspector for the state of Illinois and formerly supreme deputy of the International Order of Rainbow for Girls, will be present.

Mrs. Anne Heath
Two Antioch women who have distinguished themselves in the order, Mrs. Ann Heath, present mother advisor, and Mrs. Martha (continued on page 7)

Minstrel Chorus in Rehearsal; Seeking Additional Singers

The mixed chorus for the annual Community Band minstrel show is now in rehearsal and Louis Chenette, director of the band, and head of the music department at Antioch High school, is seeking more voices to round out the chorus. Practice sessions will be held on each Tuesday evening during the next two weeks, and any persons who are interested may attend at the music room of the high school. The show will be presented on Friday and Saturday, December 9 and 10.

Tickets for the show go on sale this week at the following business places: Antioch News, Reeves Drug Store, King's Drug Store, Ray's Shell Service, Grass Lake Food Mart, and at the Lake Villa Pharmacy. Reserved seats for either the Friday or Saturday performance may be obtained from W. V. Lahti, Phone Antioch 509, or Loraine Steinel, Antioch 543-J.

Crusader's Dance Set for November 26 at St. Bede's

Bob Kaester's dance band will furnish music for a "Crusader's Dance" to be held Nov. 26, at St. Bede's Church hall, Fox Lake.

The dance is the first promotion of a new club organized to "establish the young men and women of the community into a sound working club fostering religious, educational and social functions" according to the persons responsible for its being.

The dance will begin at 8 p. m. and will be informal.

Sequoits Take First Game of Basketball Season in Thriller

Indians Edge Libertyville 62-60 in Saturday Opener

Antioch's fighting Sequoits won a closely contested game from Libertyville Saturday night in the opening game of the season. Although the locals led throughout the game, the widest spread in score was never more than eight points and the Libertyville team pulled up into a tie twice during the last quarter.

The first quarter ended with Antioch on the long end of the 19-17 score; at the half the totals were Antioch 30, Libertyville 26. Each of the teams scored 14 points during the third stanza, and Antioch piled up 19 points in the last quarter to the visitors' 20, making the final total 62-60.

High point man for the Sequoits was Guard Al Reckers, who accounted for 18 points on 8 field goals and two free tosses. Jim Fish scored 13 points, Frank Walsh scored 11. Star of the Libertyville team was Mura, who got going in the latter part of the game to score 23 points. Wellworth and Garrison were also busy men at the Antioch basket. Garrison, by far the largest man on the court for either team, was especially effective on rebounds.

J. V's Lose
In the curtain raiser, the Frosh-Soph team went down in defeat before the Libertyville team, 40-25. Coach Warren Polley said that the team was a little excited and did not play the brand of ball which can be expected later in the season. Terry Horton was highpoint man for the locals with 8, and Wood of Libertyville scored 18.

The Sequoits met Richmond Wednesday night but no report of the game could be made because of earlier publication of the News this week. First conference game will be played against Grayslake here on December 2.

Lakes Theatre to Have New Cinemascope Screen

A new wide screen which will allow Cinemascope productions to be shown will be ready for patrons about December 2nd, according to Wm. Govey, manager of the theatre. Govey said that the new screen would be ready for the opening "To Hell and Back, starring Audie Murphy."

The new screen will have more than 300 square feet of area and will give the theatre the "new look."

Matinees Saturdays
In line with a varied winter program Govey will institute a series of Saturday afternoon matinees aimed at entertainment for children. The programs will include such favorites of children as "Punchinello," "Hansel and Gretel," "Adventures of Robinson Crusoe," "Walt Disney's 'Rob Roy,'" and "Challenge the Wild."

One showing each Saturday beginning at 2 p. m., will be presented and tickets will be available on a season basis as well as for each individual showing when available.

Brother of Residents Dies in Mich., Monday

Mathew P. Graham, Gross Point Shores, Mich., brother of Mrs. Walter Scott and Mrs. Mary Maples, both of Antioch, passed away Monday morning.

He was vice-president of Thompson's Products Corp. of Detroit, Michigan.

Mrs. Walter Scott and Todd Maples attended the funeral in Detroit Wednesday.

Business Places Close

The windows of the Antioch Post office will be closed at 9 a. m. tomorrow (Thursday) for the rest of the day. They will be open by 6:30 a. m. There will be no rural delivery because of the holiday.

Most other businesses in Antioch will be closed for Thanksgiving. Where food, drink and medicines are dispensed stores will be open.

\$3,489.39 Sales Tax Receipt for August Is Welcomed Amount

Village Anticipates Nearly \$40,000 a Year as an Added Income

The Village of Antioch is going to have something to be thankful for this year and during the coming years if the sales tax receipts are as much as the first month's received for August.

Clerk Clarence Shultis received a check for \$3,489.39 from the state treasurer for August, the first month in which Antioch collected the half-cent tax.

The amount would indicate that Antioch did a total of \$697,878.00 worth of business in which tax was collected.

With August as an average month, the income for the village in a year would be more than \$40,000, which is about what the Board of Trustees anticipated.

Of this amount a portion has been earmarked for the expense of a parking lot.

That Antioch is a good shopping place is seen by the fact that the receipts for the first month were far in excess of that received by other villages of similar size in Lake county.

Funeral Service for William W. Engle at Chicago This Morning

Funeral services were held at 10 a. m. today at the Weinstein and Son Funeral Home, 3021 West Peterson Ave. in Chicago for William W. Engle, member of the real estate firm of N. H. Engle and Sons, which subdivided much of the Venetian Village and the Lindenhurst Estates.

Engle was found lifeless in a gas-filled house used as a model home in the Lindenhurst subdivision about 7 a. m. Monday morning by Mr. Beaulieu, of a nearby home, who smelled gas and heard a hissing sound coming from the building.

Beaulieu broke open a door and gained entrance, finding the real estate man on the floor in the kitchen. He immediately called the Antioch Rescue Squad.

Capt. Herman Holbek and his assistants Everett Otfedahl and Edmond Hood found it difficult to get the body out because of the gas filled building. Holbek said that Engle had been dead for seven or eight hours.

Beaulieu said that there was no one around the model home when he retired at 11 p. m., but that he saw Engle's automobile in front of the place when he arose.

Capt. Holbek said that from appearances Engle closed all doors and windows, disconnected electrical connections and then took a pillow from a bedroom to the kitchen where he was found. He had removed a 3/4-inch cap from a gas pipe.

The body was taken to the Strang Funeral home where an inquest jury was sworn in at 10:30 a. m. Then the body was taken to the funeral home in Chicago.

Surviving are the widow, Aldona and the two sons, Kay and Michael who reside at Town Line rd. west of Rte. 21.

Also surviving are his mother, Mrs. Sarah Engle and three brothers: Morton, Harold, and Edward all of the same address, 2801 Peterson Ave., Chicago.

The divorce case of Mr. and Mrs. Engle was set for November 29, in Waukegan Circuit court.

P. T. A. Spaghetti Dinner

The Antioch Grade School Parent Teacher Association will serve an Italian Spaghetti dinner from 5 to 8 p. m. Saturday, Dec. 3, in the grade school cafeteria.

There will be booths in the school auditorium featuring games of skill with prizes awarded. Proceeds will be used to furnish the nurse's room in the school.

Moose Organizations to Conduct Annual Yuletide Home Decorating Contest; Prizes to be Given

A Yuletide home decorating contest again will be conducted by the Loyd Order of the Moose and the Women of the Moose in Antioch Township.

This is the third year for this civic event and is expected to arouse more of a Christmas spirit.

Those who wish to enter the contest are to send a post card giving their name and address and directions how to get to their home. The card is to be addressed to the Home Decorating Contest, care of Mrs. Walter Good, R. F. D. 2, Box 441, Antioch, Ill.

Prior to Christmas a group of judges will tour the area and make their decisions. Prizes will be hand painted plates produced by Elsie Hays.

Anyone in Antioch Township may enter the contest.

Toll Roads Will Be Discussed at Meeting Nov. 28th

Antioch residents are invited to a public discussion on the Illinois toll road program, Monday evening, Nov. 28, at 8 o'clock at the Willmot school in Deerfield. W. J. Murphy, (R) representative, is among the legislators from this area who has been invited to participate in a panel discussion which is being sponsored by the Deerfield Northbrook Rotary Club.

Assemblymen who have been invited to attend include: Senators Robert McClory (R) and Arthur Bidwill (R), River Forest; Representatives Jack Bairstow (D), Waukegan, Arthur Sprague (R), LaGrange, Bernice Van der Vries, (R) Winnetka; W. J. Murphy (R), Antioch; A. B. McConnell (R), Woodstock, and Joseph Lelivelt (D), Maywood.

Each speaker will be allotted five minutes, and after a short period for rebuttal among the participants, the meeting will be opened for questions from the floor.

Bert Kaefler, Northbrook Community Service chairman, is in charge of the meeting. James Tibbets, Deerfield, is president of the Rotary club.

Slippery Roads Cause Accidents in Antioch Area During Weekend

Packed ice and snow caused many accidents last weekend.

Mrs. Jessie TeBrake, 42 of Trevor, Wis., suffered leg bruises Saturday when the car driven by her husband, George, spun out of control and hit an embankment on Rte. 21 near Loon Lake rd.

Charles J. Carol, Rte. 42A and 120 suffered a head bump when his car collided with that of Carlton Beitzel, rural Antioch, at Rtes. 59 and 132.

When the car of Richard Lee Thrasher, Trevor rd., Antioch, skidded onto Rte 173 from a driveway on Palm Beach rd. Saturday night it collided with the auto of Frank J. Holt, 50, McHenry. Holt suffered leg cuts and a lip injury. Thrasher was arrested for reckless driving and having no license plates.

There were six other accidents in other parts of Lake county.

Four Youths Make Threats

Four Lake county youths who were denied drinks when they failed to provide proof of their ages at Olga's Little Mill, Rtes. 31 and 50 in Kenosha County Saturday night, staged a scene and one of them pulled a knife, the bartender told Kenosha officials. The bartender said they threatened to return to Illinois and get help in "fixing" the place.

Pupils Get Vaccine Shots

Diphtheria booster shots were given Tuesday to 140 pupils at the Antioch Grade school.

Last week the school was a busy place when polio vaccine was given to the primary grade youngsters from Antioch, Emmons, Grass Lake, Channel Lake and St. Peter's schools. Mrs. Verna Holen, school nurse, estimated that shots were given to 185 from all of the schools.

Vose Elected to Office

Avery Vose, Crawford rd., was elected a member of the board of directors of the Illinois board of directors of the Illinois Milk Producers Association at the annual meeting held last week in Chicago.

Music Club Initiates, Presents Honorary Pin

Nine students were initiated into membership in the new Antioch Township High School music club, Modern Music Masters of America Monday evening. They were Barbara and Diane Domec, Joan Burton, Kenneth Appleby, Kathleen and Maureen O'Haver, David Mitchell, and Nancy Wetterberg.

President Richard Vik presented the club's first honorary pin to Mrs. Walter Aschenbrenner, grade school music instructor, who has served as an accompanist for many of the school musicians. A reception for members and guests followed the initiation.

Parade, Free Candy, Free Movies, Will Attract Many Here

The annual visit of Santa Claus to Antioch will be a real bang up affair this year, with old Santa arriving Saturday morning, Nov. 26, at 9:30 by airplane.

Santa will head a parade up Main street from the high school to the Antioch Rescue squad building, where he will hold forth from 10:00 a. m. until 5 p. m., taking orders for Christmas from all the kiddies of the community. As a preview of things to come, Santa will distribute candy to all the tots.

The parade is expected to be the largest ever, with two bands, the fire department, the rescue squad, and most of the merchants providing a float or decorated car.

To take care of the expected numbers of children during the day and spread the load on Santa, the Chamber of Commerce, sponsors of Santa's visit have arranged for a continuous show, free of charge for children at the Lakes theatre. The show will feature cartoons and will run from 11 a. m. until 6 p. m.

Antioch is already taking on a festive appearance, with Christmas decorations on Main and Lake streets almost complete.

A wire from Santa, confirming his visit here Saturday, said that all kiddies of the community are invited to Antioch to see him and to give him the story on their wishes for Christmas.

Murrie Aids Defeat Of Plan for New Joint City-County Building

Supervisor Lloyd E. Murrie of Antioch township voted with 15 other supervisors Monday in defeating 16 to 13 a proposal that the county join with the city of Waukegan in constructing a new building to handle the county-municipal offices. Supervisor Edward Tiede of Lake Villa voted with the minority.

John L. Horan of Antioch was a member of a citizens committee which investigated the proposal and at first recommended the plan. With the defeat of the proposal the board dismissed the committee.

Mayor Robert E. Coulson of Waukegan said that the city is planning to go ahead with its original intention of erecting its own new building. He said that when this is done the county will be permitted to rent rooms, but will have no say as to their operation.

Some of the supervisors who realize that the present courthouse is inadequate, say that the land on which it is situated is too valuable and that a new site in Waukegan should be found. There has been an effort to seek a site farther west in the county, possibly at Libertyville, which is a central location, but this has been regarded as impracticable from the standpoint of accommodations for lawyers, clients, and general public.

Parents Association of Grade School Buys New French Horn for Band

The Antioch Grade school band is the possessor of a new French horn, a gift of the Grade Band Parents Association. The addition of the new horn makes a total of four French horns for the band, which is considered a fine balance for a band of that size.

Report of the purchase was made at a meeting of the organization held Monday evening. The regular meeting night for the group was changed and all future meetings will be held the first Wednesday of each month.

A report on the sale of Christmas gift wrapping material was made and showed a net profit of \$221.00. Other business at the meeting concerned future promotions by which money can be raised to provide more musical instruments and add to the uniform fund for the band.

Blubber Club Resumes

The "Blubber Club" an organization started some years ago to give those who are beginning to thicken in the middle, an opportunity for indoor exercise, started meetings Tuesday, November 22. All men of the community are invited to attend and participate in volleyball, basketball and other sports each Tuesday evening throughout the winter. Mr. Robert Heath, a member of the high school faculty is one of the sponsors.

Holding Prices Down

Just how good a buy is farm machinery nowadays? Are the prices charged for it reasonable or excessive? Does the farmer get greater or lesser value than he used to?

These are very important questions indeed, in an era in which agriculture is undergoing more and more mechanization. And answers are provided in a set of facts issued by one of the principal farm equipment companies—facts which are typical of the farm equipment industry as a whole.

Between the end of 1950 and September of this year, two of the company's biggest items of expense, steel prices and factory wages, increased heavily—by 40 per cent and 33 1/3 per cent respectively. Higher prices also had to be paid for many other necessary supplies, including tires, ignition parts, batteries, radiators, etc. Yet the company increased the prices it charge for only six of the farm machinery items it produces—and the total increases averaged less than five per cent.

This does not end the story. For, over that period of time, costly engineering research led to design improvement that substantially increased the work value of the equipment. The machines did a better job than their predecessors. And the purchaser got greater value for his money.

As mentioned before, this was typical of the whole industry. The farm equipment manufacturers raise prices only when higher costs make it unavoidable.

There is no "all the traffic will bear" policy here. The policy, instead, is to offer the best possible machines at the lowest possible cost.

Must We Have Fake Traffic Laws?

The curse of American highways today is the unenforced traffic law, the bogus speed limit. From coast to coast, motorists are confronted with traffic regulations so unrealistic that police don't even TRY to enforce them.

Writing in the December Reader's Digest, Don Wharton says, "Highway studies have proved again and again that unreasonable and unenforced regulations cause motorists to lose respect for ALL traffic laws."

In New York State, where highway laws haven't been overhauled since 1929, the speed limit is 50. It applies equally to four-lane divided highways and two-lane curving roads. Motorists therefore pay little attention to ANY speed signs. Checks taken last year at 41 sites showed that on four-lane highways 65 of 100 drivers exceeded the speed limit. However, tests indicate that motorists who usually exceed ridiculously low speed limits will obey those which they believe justifiable.

That the average American driver is more careful is attested by the declining traffic-death rate despite the greater number of fatalities. The death rate might be lowered further by instituting reasonable and enforceable laws. In the state of Washington, where the speed limit was raised from 50 to 60 on 225 miles of primary highway, fatal accidents decreased 33 per cent. Other localities report similar declines in accident rates after raising speed limits to reasonable levels.

Certain other traffic-control regulations are equally unwarranted. Stop lights operating around the clock at sparsely traveled intersections cause rear-end collisions which might well be avoided by blinker lights.

"Highways belong to drivers and not to bureaucracies," Wharton points out. He urges that motorists protest, through newspapers and civic clubs, specific examples of unreasonable laws.

Plenty of EXTRA
in this SPECIAL

The 1956 Buick SPECIAL 4-Door Riviera

THIS ONE is the news-maker that's front-page big.

This one is the new Buick SPECIAL for 1956 — the biggest bundle of high-powered energy and high-fashion luxury ever offered in Buick's lowest-priced Series.

Just a quick listing of some certain facts will give you the picture.

First—its engine is a big new 322-cubic-inch V8 engine with an all-time high in horsepower for this Series—and an engine that hits the record book at a neat 8.9 to 1 compression ratio.

Second—its getaway—with the double-action take-off of the new Variable Pitch Dynaflo®—is spectacular even at only part throttle—and comes with a new boost in gas mileage to boot.

Third—on ride, this new SPECIAL is more than great — what with all-coil springing, and torque-tube stability, and a new deep-oil cushioning, and a whole new front-end geometry that adds a wonderful "sense of direction" to the car's travel.

Fourth—on room, luxury, interior finish — there's never been a Buick SPECIAL like this before. From the big, broad seats to the stunning new instrument panel—there's new decorator smartness and quality throughout.

But get the picture on price, and you have the biggest reason why this sizable automobile is so extra special a buy.

For this Buick comes to you at a figure so close to those of the most widely known smaller cars, the difference in price is small change.

So—come in and see and sample this beauty. You'll find it, we firmly believe, the biggest package of automobile at anywhere near its budget price.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Now is the time

TO SAVE SENSIBLY— AND MAKE PROSPERITY PAY OFF FOR YOU!

TODAY, we people of America are riding high on the greatest prosperity this country has ever known. Total national income over \$300,000,000,000.00!

It's wonderful! And it can continue —if we handle this prosperity with common sense. If each of us, as an individual citizen, manages his own financial affairs with care.

One of the most important things to do is to save sensibly—now. Right now, when your earning power is at a peak, put something away for yourself every payday—systematically. The best way is to sign up for U. S. Savings Bonds through the Payroll Savings Plan where you work. Another way is to buy Bonds regularly where you bank.

Here are three reasons why U. S. Savings Bonds should be an important

part of your investment program. They are safe—your principal is never subject to market fluctuation. They're sure—Bonds pay an average of 3% per year, compounded semiannually when held to maturity (9 years and 8 months). And they can go on earning 3% for another 10 years after that. They're liquid—you can always cash them, if you have to, after you've held them for two months.

Treasury Secretary Humphrey said, (on June 24, 1955), "We believe at this time of great prosperity that all of us—Government, business, and individuals alike—should exercise self-restraint in the use of public or private credit and the accumulation of debt." Let's apply his words to our private affairs—and preserve this prosperity for ourselves and our children!

For your prosperity, and America's, too
—invest in U. S. Savings Bonds!

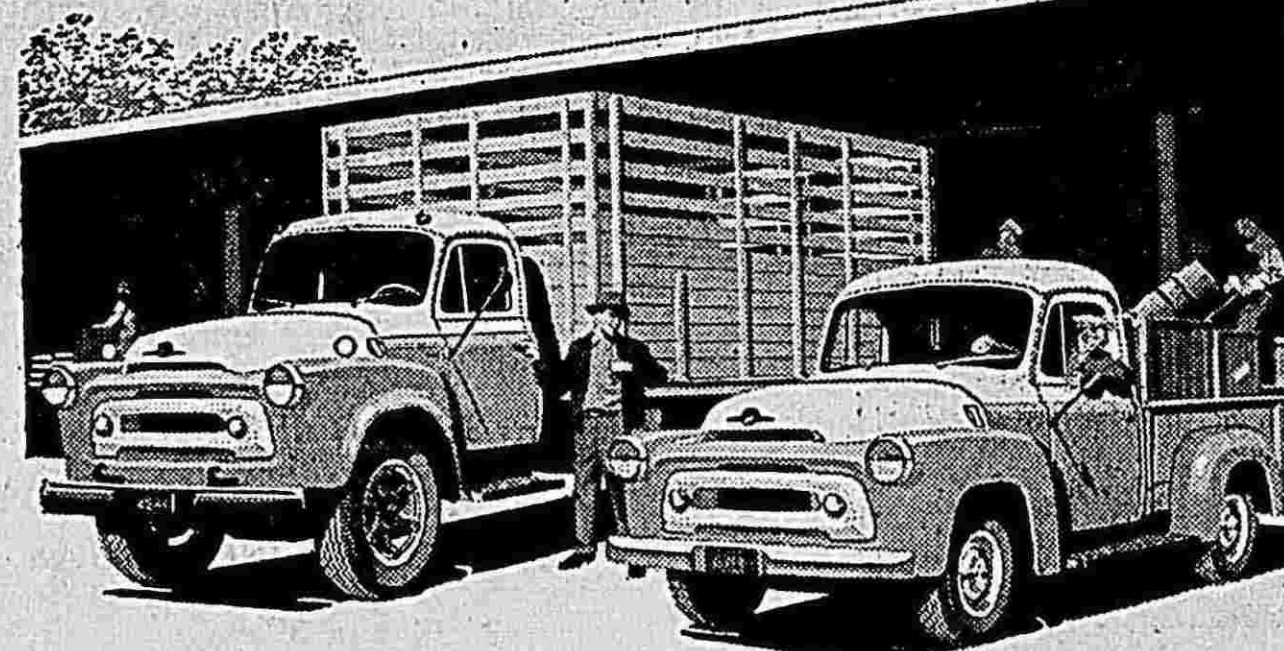

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council and

ALL-TRUCK

New INTERNATIONALS—

All-Truck Built to save you the BIG money!

To save the BIG money on the job you need a truck that's all truck. And we've got 'em.

They're trucks that are built from the drawing board out as trucks. With no passenger car engines or components asked to do a truck job.

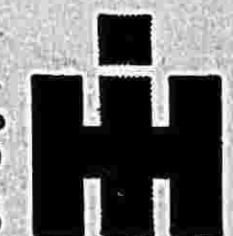

That pays off in BIG money, because your truck stays on the job longer,

more dependably. Repairs are fewer, and less costly.

And for all their money saving value, we can show you the right truck for your job that can't be beat for comfort, performance or style.

But there's no need to take our word for it, when you can come in and see for yourself. How about today?

SOCIETY EVENTS

Speaker Gives Antioch Women Encouragement To Give Nice Parties

"Let's Give a Party" Mrs. Selma R. Jennings of Joliet encouraged as she appeared before the Antioch Woman's club guest day on Monday afternoon using that topic. She is a past president for the state Women's clubs in gardens, American home and radio.

She proved that migrants are many in modern times when she found the hand of only one raised when she asked the group of more than 60 women "How many are Antioch natives?" Because so many are detached from relatives, she believes that the need for entertaining friends is increasing, particularly at holiday times.

Mrs. Jennings believes that no one should postpone hospitality because of a desire to have the house perfect, for that day may never come, but she does believe in a clever touch to make her parties remembered.

The first party she outlined was for a club president's luncheon in which she used books and book ends for her centerpiece and achieved floral decoration by placing individual corsages on each napkin forming a wreath of flowers around the table.

Lollipops and grapes in a compote provided the centerpiece she would use in entertaining new neighbors at tea when they brought their children.

Her Thanksgiving arrangement included an egg plant with her fruits overflowing from a wicker basket. She pointed out that the arrangement should spill over the table to denote plenty.

Christmas ornaments were skillfully used in a glass brick in one of her Christmas arrangements.

A feminine party eyecatcher was her bowl of chrysanthemums placed in a yellow horsehair picture hat with a large lavender bow setting off both the hat and flowers. An organdy table cloth with varied pastel napkins finished the setting used to close her demonstration.

Board members who met previous to the meeting voted to allow themselves an hour for future meetings instead of their usual half hour.

WOMEN OF MOOSE PLAN CHRISTMAS PARTIES

Ballots were favorable for 12 new candidates and one transfer at the meeting last Thursday of the Antioch Women of the Moose. Initiation will take place at future meetings.

The birthday song was sung for Rose Kennedy, Helen Jarvis, Ruth Hollis, Betty Meyerdirk, and Ann Holm.

There will be a gift exchange among the co-workers of the lodge with the price set at \$1.50 per gift.

The exchange will be at the last meeting in December on Dec. 15.

The children's Christmas party will be held Sunday, Dec. 18, at the lodge. Children with initials A to J in their surnames will attend between 2 and 4 p. m. and those with initials K to Z are invited to attend between 5 and 7 p. m. All will receive refreshments and entertainment.

Library Chairman Gladys Schroeder and her committee served refreshments at last Thursday's meeting.

Farewell Party for the Vachtas

Mr. and Mrs. Joseph Vachta were honored guests at a farewell party given by their friends at the home of Mr. and Mrs. Clarence Spiering Saturday evening. A dinner was served at tables decorated as a highway leading from the snowy roads of Illinois to the green fields of Kentucky on the way to Florida where palm trees sway. The Vachtas having sold their home several months ago plan to leave Antioch soon for Largo, Florida where they will make their future home.

Mrs. John Heich entertained in honor of Mr. and Mrs. Vachta at a luncheon and party at her home Wednesday.

M. Y. F. Retreat at Grayslake

Carl Hanson, Diane Olsen and Robert Cain will represent the Antioch Methodist Youth Fellowship Friday at a retreat to be held in the new United Protestant church in Grayslake. Twenty Methodist groups will participate. The Rev. Stephen Liddicoat will give the morning address and the rest of the day will be spent in group discussions with a final informal service in the afternoon. The Rev. Howard C. Benson of the local church will aid in the retreat.

MR. AND MRS. WILSON KING PARENTS OF SON

Mr. and Mrs. Wilson King of 1960 Loma Vista st., Riverside, Cal., are parents of a son born at Riverside November 3. The little boy has been named "Raymond Wilson." The Kings are former residents of Antioch. Before moving to California, Mr. King was employed at the Powles Food Store. Mrs. King before her marriage was Miss Lillian Overton of Antioch.

A party was given last evening at the American Legion home for members of the junior class play cast and aids of Antioch Township High school, who staged a successful production recently.

Masonic Installation For Sequoit Lodge 827 On Saturday, Dec. 10

Robert Pincombe will be installed as worshipful master of the Antioch Masonic lodge at 8 p. m. Saturday, Dec. 10 in the Masonic temple.

Other officers who will be installed at that time are: Donald Samol, senior warden; James Bruski, junior warden; Clarence Larson, senior deacon; Wayne Polsgrove, junior deacon; Jack Stieber, senior steward; Jerry Rockow, chaplain; Milton Park, tyler; Charles Mapletorpe, treasurer; John Gaa, secretary; Carl Hattendorf, organist; and Robert Kolb, marshal.

Edward Schippmann is the retiring worshipful master.

OLD TIMERS TO DANCE AT LEGION HOME SATURDAY

The Old Time Dance club will hold its second dance of the new season Saturday evening at the American Legion home. The committee in charge of refreshments comprises Mr. and Mrs. Elmer Baethke, Mr. and Mrs. Donald Francisco, Jr., and Mr. and Mrs. Rudy Eckert.

Pledged to Tau Kappa Epsilon DeKalb, Ill.,—Boake Baird and Bruce Stahmer, Antioch High School graduates, have been pledged to the Delta Eta chapter of Tau Kappa Epsilon, national social fraternity at Northern Illinois State College. Both are juniors at Northern this year.

Bruce is the son of Mr. and Mrs. Fred L. Stahmer of 956 Spafford St. Baird now resides in Aurora, Colo.

Arriving home from Milwaukee-Dowder College for the Thanksgiving weekend will be Roberta Jach, daughter of Mr. and Mrs. Fred W. Jach, rte. 2.

Postmaster and Mrs. Roy Kufalk left today for Waverly, Ia., to spend Thanksgiving and the week-end with relatives.

Emmet W. King spent Wednesday, Thursday and Friday in Chicago as a delegate to the Illinois Agricultural Association convention.

Miss Lorraine Detache of Bristol was a Sunday supper guest at the William Richards home. Harry Simons of Kenosha visited the Richards family on Sunday afternoon. Sunday evening guests were Mr. and Mrs. Oscar Hagen of Antioch and Mr. and Mrs. Jake Ruhle and son of Edwards road.

Will Welch and his daughter, Norma, drove to Madison, Wis., on Sunday and visited the Warren Welch family.

The Bert Edwards family and Mrs. Eva Alling of Waukegan visited the Bob Taylor family at Channel lake on Sunday afternoon.

Miss Lois Singletary of Zion visited Mr. and Mrs. Fred Leable on Monday afternoon, Nov. 14.

Robert McNeil, who is stationed at a camp in an eastern state is spending this week with his parents, Mr. and Mrs. Kenneth McNeil.

Mrs. Andy Magiera visited the James Dorsey home on Lewis ave. on Wednesday, Nov. 16. She was there to help welcome Mrs. James Dorsey when she returned home from the hospital after her recent operation.

Mr. and Mrs. Fred Leable spent Sunday at the home of Mrs. Ethel Bennett in Kenosha.

GIRL SCOUT NEWS

Intermediate troop No. 5 of Antioch recently went to the St. Benedict's Abbey on Benet Lake, Wis., where they enjoyed a conducted tour of the 25 "Bible Exhibits" featuring the main events of the Old and New Testaments.

The statues used in these exhibits are nearly life-size, and many are hand carved in wood; others are made of paper mache, and beautifully painted.

The troop seemed the most impressed by a stained-glass window that the Brothers had made from bottles of assorted colors which had been ground up.

Senior Scout Annabelle Hribar of Indian Point, Antioch, has been selected to represent the Lakeside council next June at the Senior Roundup.

The Senior Roundup is the first national encampment sponsored by the Girl Scouts of the U. S. A., for thousands of Girl Scouts and adult leaders from all parts of the United States. Approximately 5,000 are expected to attend the encampment.

Cub Scout Pack 92 Holds Two Meetings

Cub Scout Pack 92 held its monthly pack committee meeting at the Scout House Monday, Nov. 14 at which time there was a charter review.

Ben Noble, governor of the Loyal Order of Moose, the pack's sponsoring institution, gave a short impressive talk. On behalf of the lodge he expressed gratitude to the committee members present for the fine work done the preceding year. The pack is again sponsored by the Moose lodge.

The first pack-meeting of the year was held Thursday, Nov. 17 at Wesley hall. Charles Smith, cubmaster, conducted the meeting. Harry Jesse, district scout commissioner, was at this meeting as well as the preceding one, and gave a short talk.

Sixty-three boys were present. As required for a new charter, there was an inspection and roll call of all of the boys.

Three skits were given by the dens of Mrs. Del Janneke, Mrs. Florence Johnson, and Mrs. Gertrude Ipsen. Dens one and two served refreshments.

Any former cub scout who wishes either to sell or give away his old uniform is asked to telephone Antioch 147-R or 849-J-1. Cubs desiring a used uniform may call these same numbers.

Story Hour for Tots To Be Started Dec. 3 At Antioch Library

The Antioch Township Library will offer a story hour for preschool children and children through second grade. Since there is much material at the library of interest to this age group, it was decided to offer the story hour to acquaint them with the library at an earlier age. Parents who are interested are urged to call at the library to register their children, since much of the program will depend on the response from parents.

Present plans are to start the story hour Saturday, December 3, at two o'clock in the afternoon. Mrs. Cahill of Channel Lake has volunteered to give her time and talents for the story hour and she and the staff at the library hope to have the program in full swing in time to be of help during the coming preparations for the holiday season.

Grade School Boys Lose

Lack of experience was credited for the defeat of the Antioch Grade School in basketball at Grayslake yesterday afternoon. The local seventh and eighth graders also lost to Fox Lake Friday night. Their next game will be with the Highland school in Libertyville Dec. 2.

Celebrate Anniversary...

(continued from page 1)
Hunter, a member of the state executive committee and who has done much for the local organization will be given recognition. A large number of distinguished guests will be present. Waukegan Commandery Knights Templar will

act as escorts and DeMolay boys will help escort and act as ushers—all in full uniform.

Antioch assembly received its charter November 9, 1940. Mrs. Abt, assisted by Covenant Assembly of Chicago instituted the new Antioch assembly and initiated the new members in the afternoon of that date and installed the new corps of officers in the evening.

The first line officers were Shirley Hennings McLain, worthy advisor, now in Rialto, Calif.; Betty Hanke Fischer, worthy associate advisor, Antioch; Charlotte Nash Schulz, charity, Genoa City, Wis.

Ruth Glenn Bemis, hope, Antioch; Gertrude Horton Smoe, faith, Blandford, Mass.; and Mrs. Lillian Gaa, mother advisor, Antioch. Phyllis Pincombe is the present worthy advisor.

The Ladies' Auxiliary met at the home of Florence Johnson last Friday. The Ways and Means committee chairman, Myrtle Weismantel reported everything under control pertaining to the dinner dance to be held Saturday, Nov. 26, at Henning Johnson's resort. Incidentally Myrtle and Barney will celebrate their eleventh anniversary the night of the dance. Happy Anniversary, Myrtle and Barney.

Last Tuesday Bob Weismantel celebrated his birthday so Grandma Myrtle sat with his children at her home.

Since Mr. and Mrs. Elmer Olson moved to Deep Lake they have been entertaining a lot of out of town guests. Last week Mr. and Mrs. Holman from Seattle, Wash., were guests.

Wednesday, November 30, Henning Johnson will hold his end of the season party. Smorgasbord will be served, after which he'll fly to his Florida home to stay until next spring.

We extend our sympathy to Mrs. Ella Sipsma who lost her husband, David, last week after a long illness. He had been a resident of Deep Lake for many years.

Mr. and Mrs. Verne Olsen while in Chicago last week stopped to see Katherine Claussen and had lunch with her. Verne delivered her a figurine he painted. Verne has the Hobby Lobby Shop on Washington st., Waukegan.

MARS ROCKET COST PUT AT \$500,000

COPENHAGEN, Denmark — An American aircraft engineer said a rocket trip to Mars would cost only about \$500,000.

Kraft A. Ehricke, former German rocket specialist now living in San Diego, Calif., gave this estimate to delegates to the International Astronomical Federation Congress.

Ehricke, now a missile scientist for Convair Aircraft Division of General Dynamics Corp., said the \$500,000 would cover an unstaffed rocket as a forerunner to the first man-marrying spaceship.

Ehricke was one of 125 space experts and two Soviet observers attending the sixth congress of the federation.

Their week-long scientific session suddenly turned into a major international gathering with the announcement that the United States is going ahead with construction of an earth satellite.

Why Pilgrims Had to Have Such Big Belts and Buckles

If you sit down to as good a meal as the Pilgrims had on that first Thanksgiving in 1621, you'll be doing better than all right. You'll bust a girdle.

Here is the menu of that long-ago fall in Massachusetts:

Clams, oysters, lobsters, baked fish, venison, turkey, quail, partridge, woodcock, duck, corn bread, baked Indian pudding (a cornmeal custard), wild honey, maple syrup.

NOT BAD for a people who had

been in the New World less than a year and who had lost half their colony by death in the previous hard winter.

Not bad, and to prove it they didn't fool around with one-day Thanksgiving. They ate right on through three days.

Look for the red OK Tag!

With Thunderbird Y-8 power... Thunderbird styling... and exclusive new Lifeguard Design

THREE WITH 4 DOORS

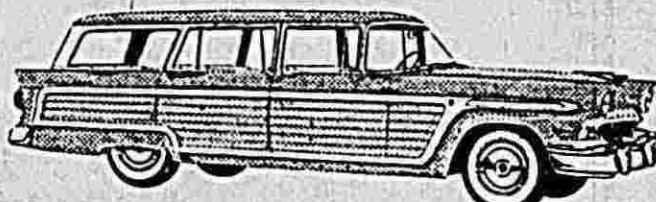

Eight-passenger Country Sedan

It's more stylish than ever this year, with exciting new colors... stunning interiors. Like the Country Squire, it has an easily removable 2-section rear seat. Four doors give easy access for all eight passengers.

Six-Passenger Country Sedan

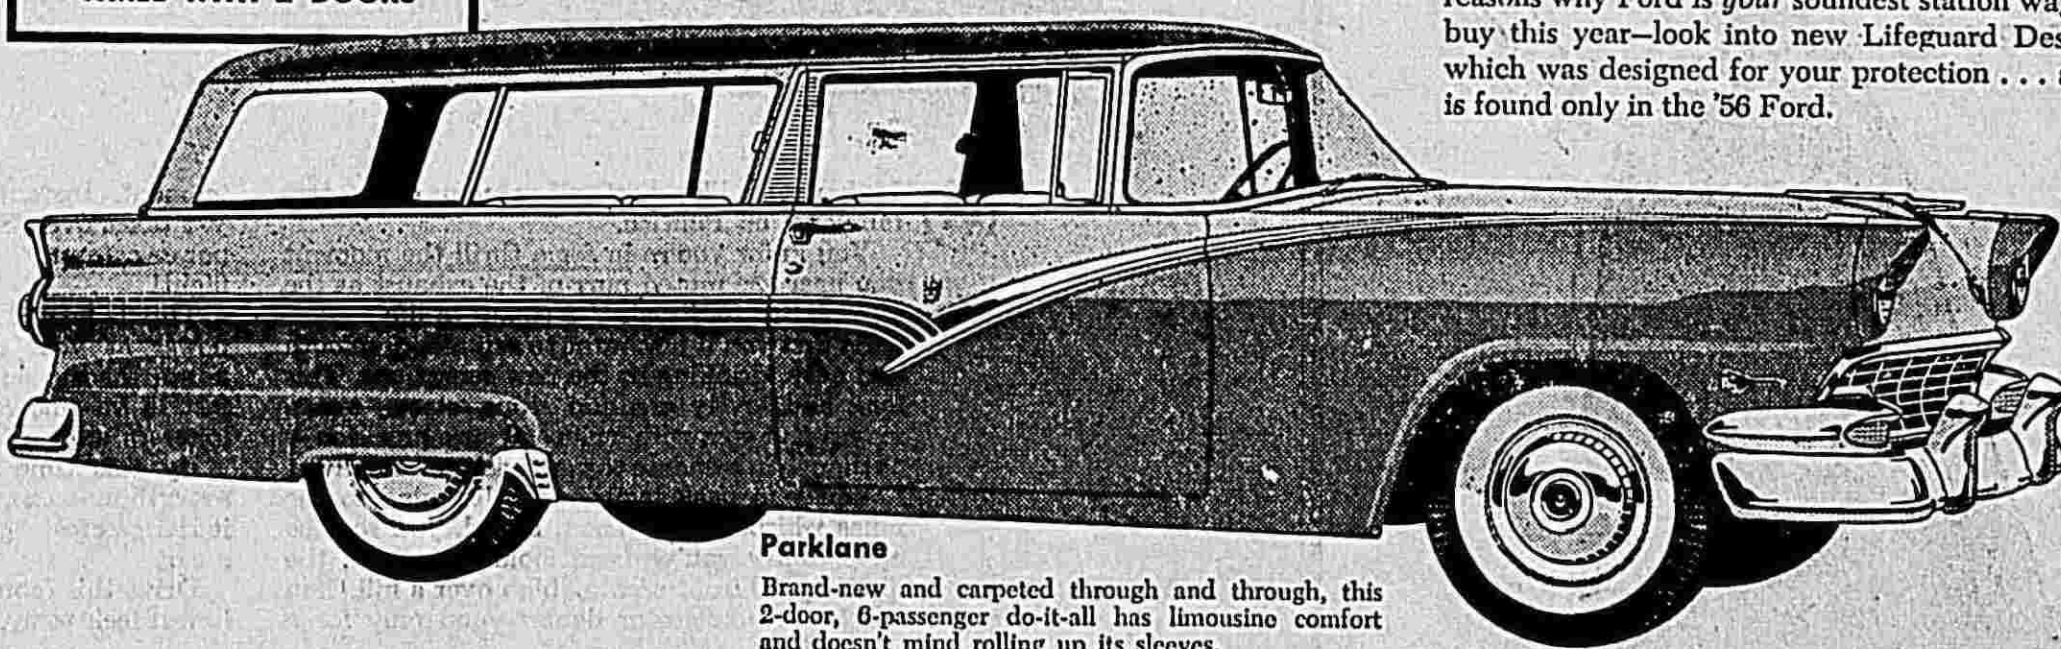

This model is designed for those who prefer 4-door convenience with seats for six. Like all Ford Station Wagons, it has fold-into-the-floor Stowaway seat.

Country Squire

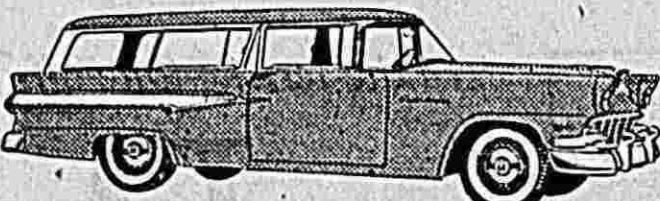

A queen among all station wagons. Mahogany-finished steel panels with wood-grained, glass-fibre moldings give woodlike beauty to this 8-passenger dreamboat.

THREE WITH 2 DOORS

Parklane

Brand-new and carpeted through and through, this 2-door, 6-passenger do-it-all has limousine comfort and doesn't mind rolling up its sleeves.

Ranch Wagon

This all-around favorite has two wide doors, easily seats 6 people. As in all Ford Station Wagons, lift gate and tail gate can be operated easily with one hand.

Custom Ranch Wagon

A 6-passenger beauty that's at home on the range or in the city. Converts in a split jiffy from luxury liner to a super-spacious cargo carrier. Easy-to-clean interior.

R. Wilton Re-Appointed Chairman Of Salvation Army Serv. Committee

Robert J. Wilton, 924 Main st., of Wilton Electric Company, has again been appointed chairman of the Salvation Army's Service committee.

Long active in civic affairs Mr. Wilton has appointed five representative Antioch residents to the Service committee. Mr. William Brook, 934 Main st., vice president of the State Bank of Antioch has been appointed treasurer of the group. Other members are: Margaret Gaston, 928 Main st., publisher of The Antioch News, Doughnut Day chairman for the Salvation Army Tag Day; Richard Whitacre, 788 Main st., superintendent of the Antioch Grade school; Roy I. Kufalk, 995 Victoria st., Postmaster of Antioch; Loren D. Sexauer, 390 Lake st., of the Sexauer Real Estate Agency.

The Service committee will represent the Salvation Army in rendering social welfare assistance to the needy of the Antioch area. This help will include aiding victims of fires and other disasters, providing food, clothing, fuel, furniture, lodging and other emergency services for persons in distress, as well as medical, dental, surgical and optical care.

In addition to giving emergency and supplementary aid, the committee will also arrange for other traditional Salvation Army services such as hospitalization for unmarried mothers, rehabilitation of alcoholics and derelict men, vacations for needy mothers, children and golden agers at summer camp, work with prisoners and their families, aid to servicemen and hospitalized veterans, and any youth work in the community.

Mr. Wilton said that one of the Service Committee's forthcoming activities will be to assist the Salvation Army in conducting its annual mail appeal for funds. Special letters will be mailed about November 30, to Antioch residents describing the campaign.

A portion of the funds raised in the mail campaign will remain with the treasurer of the Committee to carry out the assistance program in Antioch. The balance of the amount raised will help support the other traditional Salvation Army services. This same plan is followed in allocating the funds raised on the Doughnut Day Tag Day held each June.

The Antioch Service Committee is one of 66 such units organized by the Salvation Army's Metropolitan Division in Lake County, Indiana, and Lake and DuPage counties,

Suddenly you know how a jet pilot feels!

It happens like that when you drive this fabulous '56 Pontiac.

You know you're in for a thrill the moment you hear the muted purr of the exhaust as the all-new Strato-Streak V-8 comes to life.

At first you'll just want to sail along, smooth and easy, drinking in the new sensations. This long and lovely creation stops, starts, turns, moves and goes with swift and sure precision—as though in response to your wishes themselves.

You lean back luxuriously, listening to the miles whisper past. Then, ahead, you see the opportunity you've been looking for... the highway up front arching high over a hill. You touch the accelerator lightly—and only for a

moment. Instantly, that great Strato-Streak V-8 takes over. Smooth as soaring, the rush of power catapults you up and over... your solo flight!

This is how it feels... seemingly limitless power at your command—smooth, effortless power for the slower pace of city driving, jet-fast in an emergency to flick you safely past loiterers on the highway.

By this time you're certain—Pontiac has everything—size, beauty, roadability and with it the greatest "go" and safety ever built into a car.

Drive this fabulous '56 Pontiac and find out how it feels to fly. This car will show you—fast!

Greatest "Go" On Wheels

No other car performs like a Pontiac because Pontiac alone has the Strato-Streak V-8—most modern and efficient power plant in the industry. For 1956 this great engine delivers 227 blazing horsepower! For the "go" of the year, go Pontiac!

Watch your Step!

Be sure you get a **Modern Truck**

Look for new **CONCEALED SAFETY STEPS**—a mark of today's most modern trucks that new Chevrolet Task-Force trucks bring you. They stay clear of snow, mud and ice to give you firmer, safer footing.

This is just one of the ways you're way ahead with new Chevrolet trucks! They're today's most modern trucks.

And that holds good under the hood! These handsome huskies offer you the shortest stroke V8's* in any leading truck. Or, you can have the most modern valve-in-head six on the market. All engines have

a 12-volt electrical system.

You get today's most modern cab, too—with advanced features like the sweeping panoramic windshield, bigger side and rear windows, and High-Level ventilation.

And you get the most modern truck styling going. Chevrolet trucks are Work-Styled for your job.

Still another thing you'll like about new Chevrolet trucks is their modern Ball-Gear steering. It makes turning and maneuvering far easier.

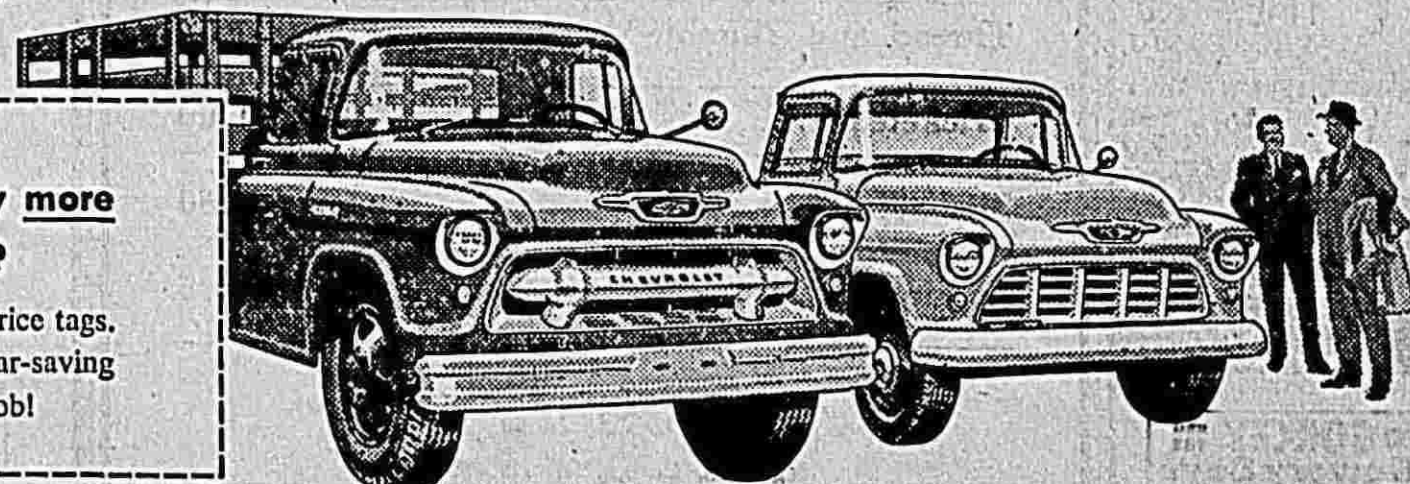

Come in and see why anything less is an old-fashioned truck!

*V8 standard in L. C. F. models, optional in most other models at extra cost.

Kathy Frazier Wins in Safety-Backer Contest Sponsored by Hough Co.

Kathy Frazier, daughter of Mr. and Mrs. Ed. Frazier of Spafford street, Antioch, was winner in the Safety-Backer contest sponsored by the Frank G. Hough Company of Libertyville where Mr. Frazier is employed.

The picture reproduced here was taken from the November issue of the "Payloader," company magazine of the company.

The article accompanying the picture in the publication read, in part:

"Winners Announced in Safety-Backer Contest

"We have two wonderful winners! Judging was extremely difficult because hundreds of excellent entries were received. Many of these entries were so good that the judges wished they also could have won.

"Kathy Frazier, age 10, daughter of Edward Frazier in our Assembly Department won the prize for entries under age 12. She selected a beautiful English style girl's bicycle. The winner for over 12 years of age is Gloria Bauer, age 13. Gloria is the daughter of George Bauer, Fabricating Department. Her selection was the attractive Radio-Phonograph prize. Judges for our Safety-Backers contest were: Superintendent of Libertyville grade schools, Mr. Roy Buskirk and the Principal of the Libertyville Township grade schools."

Kathy's prize winning letter:

Dear Sir:
I am a Safety Backer because I want my daddy to be safe going to work, going home from work and while he is at work. I love him very much.

Yours truly,

"Dearest Enemy" on TV 9-10:30 P.M. Saturday

Cyril Ritchard, Anne Jeffreys, Robert Sterling and Cornelia Otis Skinner will head the all-star cast in the Rodgers and Hart musical spectacular, "Dearest Enemy," which the Oldsmobile Dealers of America will present on Saturday, Nov. 26, from 9 to 10:30 (EST) over the NBC-TV network. Max Liebman is producing and directing the extravaganza.

"Dearest Enemy," which was a captivating Broadway success, is set in old New York of Revolutionary Days and is based on a true historical event—that of a trick played on the British by a beautiful widow, Mrs. Margaret Murray, who kept the entire British General Staff entertained and diverted while American General Israel Putnam escaped with his troops to join General Washington.

Cyril Ritchard, who will portray the witty General Howe, delighted the nation with his electric performances on TV as Captain Hook in "Peter Pan," as the star of "The King and Mrs. Candler" and many other video vehicles. Anne Jef-

freys and Robert Sterling, who respectively play Mrs. Murray's niece and a British captain in love, are the Mr. and Mrs. acting team which catapulted "Topper" into top TV ratings. Miss Jeffreys was previously starred in the title role of the Oldsmobile spectacular of "The Merry Widow." Cornelia Otis Skinner, who will play the sagacious Widow Murray, is known throughout the United States for her brilliant One Woman shows, her plays,

books and lecture tours. The score of "Dearest Enemy" contains some of the cleverest of Richard Rodgers and Larry Hart songs including "Here in My Arms," "Heigh Ho, Lack a Day," "Bye and Bye" and "Here's a Kiss." This 18th Oldsmobile spectacular will be telecast in compatible color as well as black-and-white. Milt Lyon is staging the production which is under the complete supervision of Max Liebman.

549 Books Sold During Antioch Grade School Book Fair Nov. 18-21

Five hundred and forty-nine books were sold at the Book Fair conducted Friday and Monday at the Antioch Grade school.

Monday evening the Parent-Teacher Association heard a discussion on books by Librarian Marion Harden and were privileged to examine and purchase books that were on display.

Teachers who have a \$25 a year room budget for books made extensive purchases. A total of 679 books were on exhibition and only 130 were left last evening.

"It was the most successful book fair we have ever had," commented Supt. Richard Whitacre.

During the P. T. A. meeting a committee that took a census of pre-school children in the district made its report, but the totals will

not be available for a week or more, Supt. Whitacre said.

Plans for the PTA spaghetti supper Dec. 3 were also announced.
